PAST EVENTS:

SEPTEMBER 1 - TUESDAY - BOARD OF DIRECTORS MEETING - VFW, KINGSTON PA - The first board meeting of the fall was held at the usual time. The usual discussions were had. We veered off on several tangents and then Mike had to get us back on track. Of course Mike Matso ended the meeting with his usual question "What about the article in the paper the other day, you know the one about the gas drilling?" This of course led to a motion to adjourn the meeting before we got off on another tangent. As usual, Joe Ackourey had to leave early because he had to go back to the shop to pack bait.

SEPTEMBER 8 - TUESDAY - MEMBERSHIP MEETING - VFW, KINGSTON PA - The first membership meeting of the fall was held at the regular location. Mike Romanowski spoke to the members about current events and then a presentation was made by Jim 'Coz' Costolnick on steelhead fishing the Lake Erie tributaries. Great job Coz now everyone knows about the "Catt". Check out Coz's web site for more info at <http://www.borderwater outfitters.com>
